

Dear [BENEFICIARY FULL NAME],

We are writing to inform you that Mirra Reach LLC will no longer be participating in the Accountable Care Organization Realizing Equity, Access, and Community Health (ACO REACH) Model, effective 12/31/2024. You are receiving this notice because your doctor [PCP NAME OR PCP PRACTICE NAME] is currently a participating provider of Mirra Reach LLC. This decision comes after careful consideration and evaluation of our organization's direction and commitment to providing the highest quality care to our patients, including you.

### **What This Means for Your Care**

Until the effective date of termination, there will be no change in the way you receive your healthcare services under the ACO REACH Model. You will continue to enjoy all the benefits and support you may have received, including enhanced benefits such as care management services.

As a beneficiary of a participating physician in the ACO REACH program you may have had access to additional Benefit Enhancements or Beneficiary Engagement Incentives, implemented by Mirra Reach LLC and will be terminated or otherwise cease to be in effect as of 12/31/2024. Furthermore, any services furnished under the Benefit Enhancement will no longer be covered by Medicare and the Beneficiary may be responsible for the payment of such services.

All other Medicare rights and benefits will remain unchanged through this transition. You can continue to see any healthcare provider, practice, or hospital that accepts Medicare, which includes your providers at [PCP NAME OR PCP PRACTICE NAME]. Your choice of healthcare providers is always up to you.
